

4-6 September 2017, Bålsta, Sweden

Dear Colleagues,

We would like to warmly invite you to participate in the IUFRO Seed Orchard Conference 2017. The goal of the conference is to provide an opportunity to exchange the most recent scientific advances related to forest tree seed orchards and their integration in the forestry practice.

Areas that will be covered at the conference include, but are not limited to:

- 🌲 link between seed orchards and long term tree breeding
- 🌲 seed orchard design and management
- 🌲 forest pathology in relation to seed production, seed testing and storage
- 🌲 seed physiology and technology
- 🌲 forest economics
- 🌲 gene conservation
- 🌲 interaction of seed orchards with related disciplines

For more information please see <http://seedorchard2017.upsc.se/>
or contact Tomas.Funda@slu.se.

We are looking forward to seeing you in Bålsta!

Sincerely yours,
Organizing Committee
