Advancing the value of forest
plantations**

Invitation to Attend and Participate

We cordially invite your attendance and participation in the 32nd SFTIC meeting on the shores of Lake Hartwell in Clemson, SC. The meeting will take place June 10-13, 2013.

Call for Abstracts

We hope to have a record-setting SFTIC Conference this year, but we need your help!

Abstract Guidelines

Abstracts are due by April 1, 2013. All abstracts should be submitted electronically at

<http://www.clemson.edu/cafls/sftic/abstracts.html>

If accepted, you will be expected to submit a manuscript or extended at the time of the conference for the Conference Proceedings, and your presentation should not have been published elsewhere.

Poster Presentations

Poster presentations are encouraged, particularly from graduate and undergraduate students. If you wish to submit a poster for the Conference, please submit an Abstract/Summary as indicated above.

Commercial Exhibits

Space will be available at the Conference site for the exhibition of commercial products and services. If you are a potential exhibitor and want to receive more information, contact:

Patrick Cumbie at
wpcumbi@arborgen.com

Field Trip (Optional)

We'll be spending the afternoon touring the Chestnut Return Farm, Musser Fruit Research Center, Clemson Experimental Forest and other potential sites.
