

# IUFRO 8.01.02 Landscape Ecology Conference 2017 The Green-Blue Nexus: Forests, Landscapes and Services

24 - 29 September 2017  
Halle (Saale), Germany

It is our great pleasure to host this year **IUFRO working party Conference** (<https://iufrole.wordpress.com/>) in Halle (Saale), Germany. The Conference will be at the Institute for Geosciences and Geography, **September, 24 - 29, 2017** – see details at: <http://iufrole2017.eli-web.com/>

The **IUFRO LE Conference** will offer an attractive programme - with 21 sessions and additional training opportunities including: GUIDOSToolbox, GISGAME and ForSYS (see: <http://iufrole2017.eli-web.com/> => conference sessions => additional offers)

Also, please take note of the **excursions** during and after the Conference, which are announced on the webpage (see: <http://iufrole2017.eli-web.com/> => excursions - excursion alternatives) as well as logistic details concerning to accommodation, transport, etc.

In case additional offers for side meetings are needed, please contact [christine.fuerst@geo.uni-halle.de](mailto:christine.fuerst@geo.uni-halle.de) or have a look at the list of opportunities.

Our team is happy to welcome you warmly in Halle, to experience landscapes in transformation and exchange a holistic approach on how to improve our visions towards a green and blue nexus in a globalized world!

For registration, please go to: <http://iufrole2017.eli-web.com/> => registration.
