Scientific Session No. C-09

“Economic Valuation of Forest Environment Services”

CALL FOR ABSTRACTS

Deadline for Abstracts Submission: 31 December 2009

Submit your abstract

Only 15 days left!

Dear Colleagues and Friends:

This is to inform you that IUFRO Unit 4.02.01 – “Resource Data in the Tropics” is organizing a scientific session No. C-09, during the XXIII IUFRO World Congress, to take place in Seoul, Republic of Korea, from 23 to 28 August 2010.

This scientific session is organized under the theme **“Economic Valuation of Forest Environment Services”**.

You are kindly invited to submit to submit your abstract (s) to be considered as potential Speaker / Poster Presenter, in this Session. To do it, you have only 15 days left to submit your abstract. Please **hurry up to submit your abstract!**

Main objectives of the session C-09

The main objectives of this session will be to analyze the economic values and valuation of forest environmental services, and payment mechanisms for conservation and sustainable management of forest goods and services, including for carbon sequestration, water resources provision, and biodiversity.

Topics to be covered by the session

The topics to be covered by the session will include:

- Identification and definition of forest environment services;
- Progress and issues in forest valuation methodologies;
- Forest environmental services payment schemes;
- Issues related to social/public choice, institutions, and decision making;
- Improving the links between forest environment evaluation and financing;
- Payment for forest environment services and moral obligation to fight poverty in developing countries.

Session Format

The session organizer welcomes both oral and poster contributions.

Deadline for Abstracts' Submission

Potential speakers and poster presenters are required to online your abstracts via the Congress website, by the **December 31st, 2009 deadline**. For all information on the Congress, visit the website www.iufro2010.com

For online abstract submission, you can do it by clicking on "On-Line Abstract Submission", under "Quick Menu" (right hand side of the screen page).

For Abstract submission guidelines, you can see "How to submit" under "Call for Papers" on the left-hand menu.

The submitted abstracts will be reviewed by the session chair, then the Congress Scientific Committee members, with a final decision on acceptance to be made by the CSC chair, based on the comments and recommendations of the session chair and CSC members.

Looking forward to receiving copy of your submitted Abstract

Best wishes
