

## International Conference

# NON-NATIVE TREE SPECIES for EUROPEAN FORESTS

VIENNA, AUSTRIA 12 - 14 September 2018

### Aim

This International Conference brings together researchers and stakeholders concerned with **Non-native tree species in European forests**. Session topics include: **Distribution** ◦ **Provenances** ◦ **Reproduction** ◦ **Management** ◦ **Growth potential** ◦ **Ecosystem services** ◦ **Biotic and abiotic threats** ◦ **Market potential** ◦ **Public perception** ◦ **and more**.

The conference programme is relevant for scientists from a large range of disciplines, as well as for governmental representatives, forest owners and practitioners and NGOs. Non-native tree species in a changing world bring **opportunities** and **risks**. It is therefore the exchange between disciplines which facilitates wise decisions and foresighted management.

We cordially invite you to take part in this activity!

### Scientific Committee

**Dr. Elisabeth PÖTZELBERGER**

Institute of Silviculture, University of Natural Resources and Life Sciences, Vienna, Austria

**Prof. Heinrich SPIECKER**

Forest Growth and Dendroecology, University of Freiburg, Germany

**Prof. Hubert HASENAUER**

University of Natural Resources and Life Sciences, Vienna, Austria

**Dr. Monika KONNERT**

Former director of the Bavarian Office for Forest Seeding and Planting, Teisendorf, Germany

**Prof. Frits MOHREN**

Forest Ecology and Forest Management, Wageningen University, Netherlands

**Prof. Anna GAZDA**

Department of Forest Biodiversity, University of Agriculture, Kraków, Poland

### Timeline

Abstract submission	till 1 Jun 2018
Acceptance notification	30 Jun 2018
Early-bird registration (180€)	till 15 Jul 2018
Registration (210€)	till 15 Aug 2018
Conference	12-14 Sep 2018

### Local Organiser

Institute of Silviculture, University of Natural Resources and Life Sciences (BOKU), Vienna  
Peter-Jordan-Straße 82, 1190 Vienna, Austria  
Elisabeth PÖTZELBERGER and Anna RAMEDER (admin)
