

In order to **change your password**:

- please visit <http://www.iufro.org/science/iufro-mailing-lists/list-management/>;
- choose the list you are subscribed to, click the link.

On the next page:

- scroll all the way down to the bottom where you will find the following sentence:
"To unsubscribe from divX, get a password reminder, or change your subscription options enter your subscription email address"
- fill in the box (the last on this page) with the email address you are subscribed with
- click the button "Unsubscribe or edit options".
- You will see this:

The screenshot shows the IUFRO website interface. On the left is a navigation menu with categories like DIVISIONS, TASK FORCES, SPECIAL PROGRAMMES, GFIS, GFEP, and IUFRO MAILING LISTS. The 'IUFRO MAILING LISTS' section is expanded, showing a list of various mailing lists including 'Div 1 List' through 'Div 9 List', and several 'RG' and 'WP' lists. The main content area is titled 'Div 1 List' and features a blue header box with the text 'div1 list: member options for user burger@iufro.org'. Below this, there is a paragraph explaining that to change membership options, the user must log in with their membership password. A 'Password:' label is followed by an input field and a 'Log in' button. Another blue box contains the 'Unsubscribe' button, with a paragraph explaining that clicking it will email a confirmation message. A third blue box contains the 'Password reminder' button, with a paragraph explaining that clicking it will email the password. The user's name 'Ms. Brigitte Burger' and a 'LOGOUT' button are visible in the top right corner.

- If you do not know your password, click the button "Remind" under the heading Password Reminder - your password will be emailed to the email address you are subscribed with.
- Use your password as above. Note: the login is case-sensitive: be sure to use upper case/lower case exactly as indicated!
